

The logo for Adman Steel Sheds is a white hexagonal shape with a black border. Inside the hexagon, the word "ADMAN" is written in a large, bold, red, sans-serif font. Below "ADMAN", the words "STEEL SHEDS" are written in a smaller, black, sans-serif font. The logo is positioned in the upper right quadrant of the page, overlapping a white background and a red diagonal stripe.

ADMAN
STEEL SHEDS

STEEL GARDEN SHEDS & GARAGES

Transform your garden with
made-to-order maintenance free
steel sheds and storage solutions

MINISTORE

GARDEN SHEDS

MAINTENANCE FREE
Exterior PVC Coated in a choice of colours.

TIMBER FLOOR

Shed can be fitted on a level surface such as hardcore stone, paving slabs or tarmac. A concrete base is not essential.

DOUBLE DOORS

Double doors are fitted with a heavy duty door lock.

This slimline garden storage unit is the ideal storage solution for small gardens or areas with limited space. Available in a range of sizes and colours the Mini Stores are the perfect size for storing bicycles, lawnmowers, barbeques and garden tools. As with all Adman Steel Sheds, these compact units are constructed from a galvanised structural steel framework.

BETTER BUILT BY ADMAN

DURASTORE

GARDEN SHEDS AND GARAGES

MAXIMUM STRENGTH

Fabricated centre support beams combined with galvanised structural steel framework.

GUTTERS & DOWNPIPES

PVC gutters & downpipes are fitted to all buildings.

CHOICE OF DOORS

Roller garage doors, single and double steel pedestrian doors, steel security & PVC doors.

OPTIONAL WINDOWS

Choice of colour and sizes.

Our maintenance free DURASTORE sheds and garages are designed and constructed with the most extreme conditions in mind boasting a build quality and strength superior to any other building of this type so it can stand up to the harshest conditions. These are the perfect solution for storing all of your family's general, household and garden equipment. Available in a wide variety of sizes and colours with flexible build options for positioning doors and windows to suit your site and needs. **A rebated concrete base is required for all of our DURASTORE garden sheds and garages.**

BETTER BUILT BY ADMAN

- **HEAVY DUTY MATERIALS**

THERMASTORE

GARDEN SHEDS AND GARAGES

NATURAL LIGHT

UV protected polycarbonate roof lights. It is also double skin insulated.

WALL PANNELLING

Interior is finished in a white, smooth, easy to clean maintenance free metal surface. Exterior is PVC coated in a choice of colours.

MAXIMUM STRENGTH

Fabricated centre support beams combined with galvanised structural steel framework.

INSULATED SURFACES

Walls and roof are insulated using 40mm Kingspan sandwich panel throughout.

EASILY HEATED

Suitable as a workshop or hobby space as heat is retained.

The THERMASTORE is a step up from the DURASTORE range, this selection is constructed with fully insulated walls and roof panels. While retaining the same robust construction as our DURASTORE models, these easily heated units have the added advantage of retaining heat. This insulation creates a dryer and more comfortable environment for use as workshops and hobby spaces along with being an ideal storage area for your more valuable goods such as cars, vintage vehicles, electrical items and household furniture. A rebated concrete base is required for our THERMASTORE ranges.

HOW TO ORDER

STEP 1: CALL OR EMAIL US.

- (053) 9430001
- info@admansteelsheds.ie

We can normally answer your queries over the phone and give you a quote within three minutes.

STEP 2: REQUEST A SITE VISIT.

We can arrange for one of our sales staff to meet you at home and explain everything in detail. This is a free service so if you are uncertain about site access, base requirements and pricing, positioning of your shed or even colours please avail of it.

STEP 3: PLACE YOUR ORDER

Once your site visit is completed we both should have all the relevant details required to proceed with ordering. An order form is completed detailing the size, layout, colour, agreed fitting date etc.

To complete and secure the order a booking deposit is then required.
